CONGRATULATIONS to all our 2015 Champions
Geoff Fern, Douglas McLay, Ewen Sergison, Jeremy Timms,
Bryn Tootell, Matthew Walters and Robbie Watts.

Welcome to 2016 [Title Sponsor] Monoposto racing

Monoposto is the largest national club racing category for single seater cars in the UK. We provide cost-effective, competitive and enjoyable racing for both experienced drivers and newcomers to the sport.

Following another highly successful year, our main 2016 [Title Sponsor] Championship will feature 16 races at some of the best circuits in the UK. Back by popular demand, for Summer/Autumn we have the low cost Tiedeman Trophy Mono Championship. Together with carefully selected, major, non-championship events, the club provides races of the highest quality for our members.

Races in the prestigious **Title Sponsor] Monoposto Championship** will be run on behalf of Monoposto by leading race organisers MSVR.

2016 Race Calendar

In association with XYZ and ZYX, our popular **Tiedeman Trophy** Championship provides ?? extra races at the best possible value, along with the opportunity to race on circuits outside the main championship.

AWAITED

In addition, Monoposto plans to repeat our ever popular visit to the **Spa Summer Classic** at the legendary **Spa Francorchamps** circuit. Competitors will enjoy 100 minutes of track time, with 2 qualifying sessions and 2 non-championship races spread over 3 days, based in the comfort of the F1 pits.

Race days

Championship weekends are “Twin Headers” at two day events, while single day events are run as “Double Headers”. A Twin Header means that each day is a separate event, with its own qualifying sessions and races. Double Headers have one qualifying session and two races all on the same day.

At championship events the large Monoposto entry is usually divided by class into two grids, so there is plenty of track action.

At each venue Monoposto has an allocated Paddock area, which includes our Race Hub providing tea, coffee, biscuits, help & advice, information, and results. Monoposto Racing Club works closely with our race organising partners, including mobile (bicycles!) Mono officials in the Paddock, plus a representative working in Race Control, to ensure our Members get maximum value and enjoyment.

Driving Standards: Good racing should be safe, fast and competitive, with drivers respecting their competitors and giving them space when necessary. Monoposto benefits from a regular MSVR Clerk of the Course, who works closely with the Mono Championship Co-ordinator to ensure everyone stays within the rules, and enjoys their racing as safely as possible.

Eligibility: Similarly it's very important that cars comply with the Regulations. Our MSA Eligibility Scrutineer works to ensure a level playing field, and is also able to advise drivers and teams so that they can avoid problems. Sporting and Technical Regulations for both the Club's championships can be downloaded from www.monoposto.co.uk, or obtained by post from the Monoposto Championship Co-ordinator.

Annual Awards & Extra Events

Each year Monoposto present over 300 trophies at race meetings and a further 50 at the prestigious Annual Awards Ceremony Dinner

In 2015 the popularity of Monoposto with event organisers saw members invited to attend, show their cars and take to the track for demonstrations (for free!) inside [Tuner Fest](#) events at Croft, Snetterton and Brands Hatch. Additionally the MSVR media day provided some excellent tracking photos and video..... We look forward to more in 2016!

Monoposto Media and Social Events.

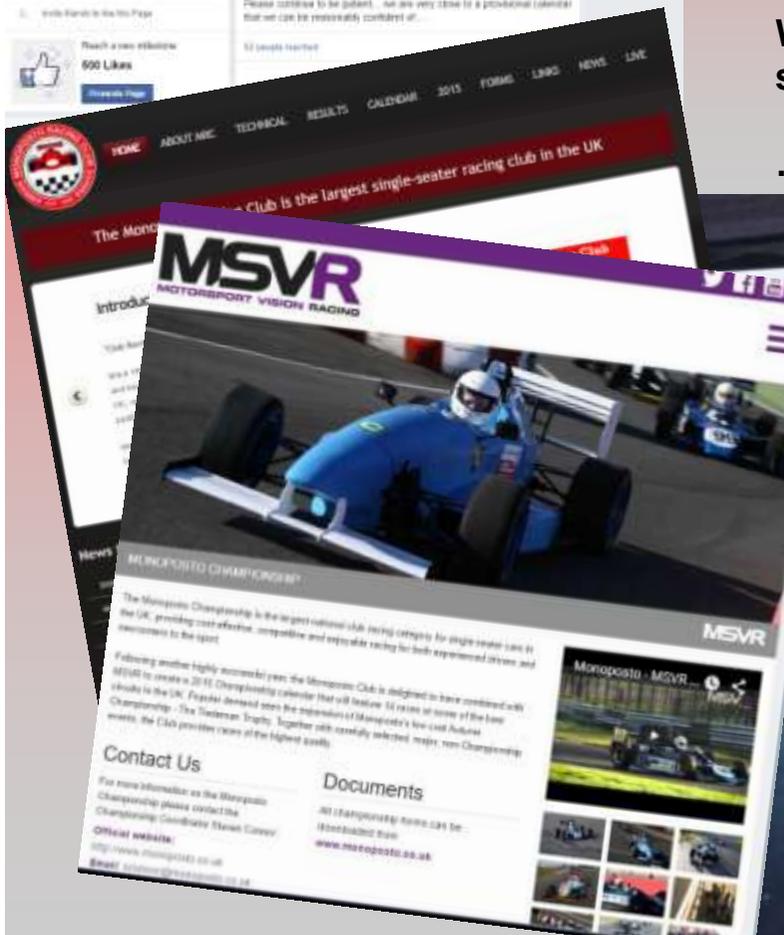

Monoposto has a strong internet presence with the club website at www.monoposto.co.uk and [facebook](https://www.facebook.com/monopostoracingclub) page plus more high quality coverage via race partner MSVR's site at www.msvracing.co.uk . Together these sites attract more than 50,000 hits per year.

As a leading UK racing category, Monoposto gains frequent coverage by the motorsport media such as Autosport and Motorsport News. The Monoposto web magazine [StartLine](http://www.startline.co.uk) carries regular race reports and features. Competitors also benefit from support by Norwich Photo, who provide galleries of brilliant shots of all the action.

With a number of two day meetings, the Monoposto paddock provides a social base for telling those racing tall tales in the evening....

Monoposto in Education - STEM

Monoposto encouragement for engineering students.

Monoposto has always been fortunate to have attracted a number of University and College racing teams ("student teams") for whom the attraction has been that it is a cost effective and relatively open formula, allowing experimentation and modification to the cars, along with a friendly and helpful paddock welcoming newcomers. For 2015 an anonymous benefactor offered a trophy for the most meritorious student team, to be known as the Monoposto STEM Award which reflects the importance in manufacturing of 4 core elements :

Science, Technology, Engineering and Maths.

In 2015 there were three student teams doing battle for the STEM trophy and they all brought enthusiasm, hard work and plenty of biscuit eaters to perform at a very professional level within the championships. [University of Wales Trinity St David](#) entered two cars into the Monoposto Championship, [University of Wolverhampton](#) entered one car for the Monoposto Championship while [Northbrook College](#) entered one car for the Tiedeman Trophy Championship. With outright wins, class wins and trophies between them, the final award came down to an evaluation of results against the competition and the 2015 podium became:

1st Northbrook College

2nd University of Wolverhampton

3rd University of Wales Trinity Saint David

"Everyone has been so welcoming and helped us out when we have been in need. The Championship has been excellently managed and we have thoroughly enjoyed every weekend"

"this has been the University of Wolverhampton's first race season & Monoposto was perfect to start from. An excellent range of circuits & competitors made for a fantastic learning experience for engineering students in 2015"

"Monoposto has been ideal for Northbrook College, it suits our budget and the variety of venues is perfect for the student experience."

We look forward to next year. Many thanks."

Monoposto support for new drivers.

Monoposto regularly welcomes an intake of drivers new to single seater racing. Club members and class reps are always willing to guide new drivers through their first race preparations and into their first season. To recognise the best performances, the SUNBAC Nova Awards go to the two most successful novice drivers over the year, competing in any class of the Monoposto Championship.

As 2015 Winner, Kyle Cutts receives four free race entries - worth over £700 - and 2015 runner up Martin Wright receives two free race entries.

Tiedeman Trophy Mono Championship

The Founder of the Monoposto Racing Club, Frank Tiedeman, passed away in 2013. Originally launched as a series, the Tiedeman Trophy now enjoys Championship status and provides Monoposto competitors with more low-cost racing opportunities, in addition to the Club's very popular [Title Sponsor] Monoposto Championship. Operating over a single race day, the format consists of a single grid for all classes with a single qualifying to set the grid for race one, the race two grid is then set by the race 1 result.... which can make for an interesting second grid.

Points in the Championship are scored based on the performance of drivers in their respective classes with a factor for entries in that class. Trophies are awarded for 1-2-3 overall in the races plus a 'Tiedeman Champion of the Day' using the class points formula. Thus the overall 2016 Champion and Champion(s) of the Day could come from any Mono class.

Monoposto: organisation & registration

Monoposto Racing Club

Monoposto Racing Club was established more than 50 years ago by single-seater legend Frank Tiedeman, who sadly passed away in 2013.

MRC is constituted as a Community Amateur Sports Club. The Club spends approximately £250,000 annually, buying track time on behalf of its members.

The Club is responsible for controlling sporting, technical, financial and calendar matters of the Monoposto and Tiedeman Trophy Championships, including entry arrangements for races. The Club is managed by a Board which is elected by the membership.
